

COMPANY PROFILE

VIKATRANS

Vika Logistics (Cambodia) Co., Ltd. — Official Cambodia
Representative of Nam Việt Logistics JSC

"Excellence Befitting Our Position"

WHO WE ARE

A Decade Connecting Vietnam and Cambodia

Founded in 2015 and marking 10 years of operation, Nam Việt Logistics has grown into a trusted multimodal transport partner for import-export businesses along the Vietnam–Cambodia corridor, moving over 200,000 tons of cargo per year. VIKATRANS (Vika Logistics (Cambodia) Co., Ltd.) is the Group's official representative office in Cambodia, headquartered in Phnom Penh with a coordinating office in Ho Chi Minh City — giving Cambodian and international businesses direct, on-the-ground access to the Group's fleet, network, and expertise.

TONS / YEAR

"Our commitment is simple: move our partners' cargo across the Vietnam–Cambodia border safely, on time, and at a fair price — every single shipment."

Do Hoang Tung — Cambodia Representative, VIKATRANS

MISSION & CORE VALUES

1**Reliability & On-Time**

On-time delivery at competitive rates, every shipment.

2**Long-Term Partnership**

Sustainable partnerships built over a decade with major importers and exporters.

3**Multimodal Flexibility**

Combining waterway, road, and sea transport to fit every shipment.

OUR STRENGTHS

Built for Speed, Priced for the Long Run

STRENGTH 01

Fast, Reliable Transit

Multimodal routing across barge, road and sea lets us pick the fastest viable mode for every shipment — road transport for time-critical cargo via Moc Bai–Bavet, and a quotation team that responds within one business day so your shipment never waits on us.

STRENGTH 02

Best Rates, Whole Route

Backed by the Nam Việt Logistics Group's 200,000+ tons/year network and an owned fleet of 11 barges, we offer transparent, competitive pricing across the entire Vietnam–Cambodia corridor — no brokers, no hidden fees.

MORE REASONS TO PARTNER WITH US

10+ Years of Regional Experience

A decade serving the Vietnam–Cambodia trade corridor.

Multimodal Network

Barge, truck and sea transport under one partner.

Compliant & Insured

Vietnam Register certified fleet, cargo insurance via PTI.

Dedicated Support

Direct access to your account contact — no call centers.

WHAT WE DO

Multimodal Transport, End to End

01 — Water / Barge Transport

A fleet of 11 barges (600–1,400 tons capacity) moving bulk fertilizer, agricultural products and dry goods along inland waterways between Vietnam and Phnom Penh.

02 — Road Transport

Truck fleet crossing the Moc Bai – Bavet border checkpoint, for fast, flexible delivery to locations waterways can't reach.

03 — Sea Freight

Container and bulk cargo shipping connecting Cai Mep port with regional ports.

04 — Air Freight COMING SOON

Expanding our network to add time-critical air freight options.

SUPPORTING SERVICES

Warehousing

Transshipment storage, flexible coordination.

Customs Clearance

Export/import docs, transparent pricing.

Cargo Insurance

Coverage via trusted insurers (PTI).

Loading / Unloading

Professional handling, experienced teams.

NETWORK & CAPABILITY

A Regional Network You Can Build On

10+

Years of Experience

200+

Personnel (Group-wide)

11

Barges (600–1,400t)

200,000+

Tons Moved / Year

Capacity of the Nam Việt Logistics Group network, which VIKATRANS represents in Cambodia.
